

# Data.com Connect Champions

## Program Overview:

The Connect Champion program recognizes outstanding members in one or more areas of contribution.

## Contribution Areas:

A Champion shines in one or more of the five contribution areas. Each area is equally valued and weighted. The contribution areas are:

- [Corner Elite](#)
- [User Group Leaders](#)
- [Data Defenders](#)
- [Mentors](#)
- [Product Advisory Council](#)

## Selection:

Selection of Champions is at the sole discretion of Salesforce.com. To be considered for the Champion program, you must meet these minimum requirements:

1. Have been a Connect member for at least 1 year
2. Be a Rainmaker
3. Have at least a 90% rating
4. Have at least 1,000 rated data contributions across different contribution types
5. Demonstrate leadership in the community
6. Act as a positive role model for the community
7. Understand and follow best practices for data contribution
8. Excel in one or more of the Champion contribution areas

Salesforce.com carefully selects Champion candidates from members who meet these requirements.

## Perks

If you're selected as a Champion, you'll receive these perks:

- Custom Champion avatar for The Corner, with badges representing your specific contribution area(s)
- Connect Champion polo shirt
- Your name on a Connect Champion desk plaque
- Your screen name on a plaque at the Data.com office
- Regular calls with the team to keep up to date with product enhancements, company developments, etc.
- Special Corner privileges such as the ability to edit your own posts, use signatures, and insert links and videos.

## Timing:

Every six months, Salesforce.com selects a new class of Champions. Those Champions are part of the program until the next class is announced.

A member can be in one class and then be selected again for another, but being selected as a Champion once does not automatically place someone in future classes. Champion status is earned every period.
